

**I'm an Animal, Please Don't Eat Me**  
**Music and Lyrics by David Savage**

Most people can't understand what the animals are saying, so we have to speak for them.  
Animals are alive for their own purposes, not ours.

Chorus 1      We are all animals, so let's all be friends, let's all be friends.  
We are all animals. We are all Earthlings, and our kinship never ends  
Always friends, loving friends, animal friends.

Verse 1      I'm an animal. Please don't eat me.  
I speak a language just like you, you have a lot to learn from me.  
I speak cluck, oink, quack, baa, moo.

Verse 2      I'm an animal. Please don't hurt me.  
Pigs are cleaner than your dog, and we're smarter than your dog.  
And you don't eat your dog, so please don't eat me.

Chorus 2      We are all animals, so let's all be friends, let's all be friends.  
We are all animals. We are all Earthlings, and our kinship never ends  
Always friends, loving friends, animal friends.

Verse 3      I'm an animal. Please don't kill me.  
I know who I am, and I know who you are.  
I've got a social life and friends. Please don't eat me.

Verse 4      I'm an animal. Please don't eat me.  
Chickens have eyes and ears like you  
Cows have a face and we say "moo"  
Sheep have nose, mouth, tongue to "baa"  
Goats have two more legs than you  
We eat and talk like you  
We play and love like you  
We are born and like to learn  
We grow up and want to be free  
We have hearts that beat like yours  
Please don't eat me.

Bridge      Sometimes at night when I am dreaming  
humans are not cruel and do not kill us.  
Then when I awake it's all so senseless,  
so painful past belief that humans eat us.

Sometimes when I dream I have a vision  
of a world where no animals are eaten.  
A world filled with loving and compassion  
with everybody eating only plants, only plants!
